Applicants: De et al. Application No.: 10/080,022

Amendments to Drawings:

The attached sheet of drawings includes changes to Fig. 1. This sheet, which includes Figs. 1 and 3, replaces the original sheet including Figs. 1 and 3. In Fig. 1, the element name for elements 12 have been added.

Application No.: 10/080,022

REMARKS/ARGUMENTS

After the foregoing Amendment, Claims 1-8 are currently pending in this

application. In the drawings, Figure 1 has been amended to add element names to

unnamed elements, as requested in the Office Action.

Double Patenting Rejection

Claims 1-8 are rejected under the judicially created doctrine of

obviousness-type double patenting as being unpatentable over claims 38-49 of

copending Application No. 10/052,943. A Terminal Disclaimer is submitted

herewith to overcome the obviousness-type double patenting rejection. The

withdrawal of the double patenting rejection is respectfully requested.

Conclusion

If the Examiner believes that any additional minor formal matters need to be

addressed in order to place this application in condition for allowance, or that a

telephone interview will help to materially advance the prosecution of this

application, the Examiner is invited to contact the undersigned by telephone at the

Examiner's convenience.
